this place has all along been an orthodox institution in which, I believe, only Brahmins o the Sri Vaishnava Sect receive instruction. I do not think it is necessary or desirable to force this institution to admit students of all castes and religions. If it is not possible to make it a regular Government institution without insisting upon its being thrown open to persons of all castes and creeds, it will have to remain as an aided institution. Some old age provision for the teachers of the College is necessary and the benefit of the Provident Fund arrangement in force in regard to aided schools, might be extended to this institution.

Mysore Commissioner in Bangalore.

To

Rajeswara Sastrulu
T.Srinivasa Iyengar, B.A., B.L.,
Secretary to the Government of
Mysore in charge of Home,
Financial Departments.

Sir,

I have the honor to submit herewith a representation by the Governors of the Sanskrit College, at Ellore, praying that the Institution may be treated as a Government Institution and their claim for pension etc., recognised as in the case of the Sanskrit College, at Mysore, and the Oriental Sanskrit College at Bangalore.

2. The College is one of the oldest institutions of its kind having been started much earlier than the Colleges at Mysore and Bangalore. The College is affiliated to the Board of Sanskrit Studies for Examinations in Mysore, and trains students in the Vidwat, Vidwan and Dharmashastra and Vaidyam Examinations, besides having Instruction in vocational subjects such as Vedas, Prabandhas and Panchagatras etc. In addition to the educational grant-in-aid of Rs. 270/- per annum the College gets a monthly grant of Rs. 0/- from the Education Budget for payment of scholarships and an annual grant of Rs.1500/- from the interest earnings of the General Grant etc. all moneys contributions aggregating Rs. 0/- also from the Trustees of certain private charities founded for philanthropic purposes in the Presidency of Madras for grant of scholarships, prizes etc,.

A well-equipped and upto-date Library is also attached to the College and there is also an endowment fund amounting to Rs.3000/- which is deposited in the Post Bank, Bangalore, and the interest is to be utilised for copying manuscripts and for buying new books etc., to

fied men and most of them have passed the Vidwat Examinations conducted by the Board of Sanskrit Studies and Examinations, in more than one Shastra Notwithstanding the fact that the pay -- allowed to the Pandits is not on a par with that allowed to the - staff of the Mysore and Bangalore Colleges and even the Vēda Maha Pathasala at Bangalore which is of recent origin and is also quite disproportionate to their learning and proficiency in specialised subjects yet they have been working with enthusiasm. This enthusiasm is the result of the feeling of sanctity, attached to the town as a sacred place and to the conviction that residence in such a place is in consonance with their religious ideals. Many of --- these Pandits have grown grey in the service of the College and - have long past the age of superannuation and their services are - being continued as they have no means of sustenance after retirement and do not get any pension either. There are at present 64 students studying in the College and being a centre for orthodox - Srivishnava Brahmins, the College is sure to attract even more in future also. From the results of the public and periodical Examinations held in the College it is seen that the Institution is turning out good work and deserves to be encouraged further.

4. Though the College is styled a Grant-in-aid one still it is as already observed, mainly maintained from contributions from the Educational and Muzrai Funds and so is practically a Government -- Institution managed by the Muzrai Department. The only difference between this Institution and the Government Institutions, is that the Pandits employed here do not get pension after retirement while the Pandits in the other two Colleges of the State get pension -- after their reorganisation in the year 1918.

In view of the fact that this College stands on a par in the matter of educational acumen with the other two Colleges in Mysore - and Bangalore, though the pay that the Pandits receive here is considerably less than in the other two Colleges, and of the fact that it is maintained solely by Government funds, beg to recommend -

recommend that the Institution may be considered to be treated as a Government Institution and that the service rendered by the staff employed therein be considered as service qualifying for pension. This proposal merely amounts to bringing the Institution into its proper class as it is a misnomer to call it an aided Institution -- when the entire cost is borne by the State and all that the present proposal involves is a slight addition to the pensionary charges - which it is very desirable for Government to undertake in view of the great improvement of efficiency its treatment as a Government Institution will result in both by providing for more effective supervision and replacement of staff as soon as they become superannuated.

I have the honor to be,

Sir,

Your most obedient servant,

Muz 262-29-3.

SIR,

With reference to your letter No.1982/Muz.262-29-2 dated 26-3-30 calling for some information re: the Sanskrit College at Melkote, I have the honor to state as follows:-

As regards point (1), it is learnt from the report of the Princi al that the College is intended to teach primarily Veda, Prabanda and Visista Awaita and Vedanta, and Sanskrit as an adjunct to acquire knc ledge and proficiency in these subjects, so that it stands on all fou with the Maharaja's Sanskrit College at Mysore, and therefore none other than Brahmins are admitted to the higher sections of the Colleg

Admission to this College is confined only to Brahmins ever sinc the College was started in 1854 and just as in the case of the Mysore Sanskrit College.

Re: point (2), age and qualificatiors &c., of the several Pandit now working in the Institution:-

The appended statement gives details in this matter.

Re: point (3), the annual reports about the working of this Institution are being prepared. Herewith is appended a copy of the report for 1928-29 for kind perusal.

Re: point (4), the income of the College every year is limited grants sanctioned from the Educational Department and from the Muzrai Department, and to certain private charities from philanthropic gent men in Madras. So far as the private charities are concerned,

o al nco and expenditure

a separate account is maintained wi regard to them and any effected are kept separately in the Savings Bank to be spent acc to the wishes of the donors, as intimated from time to time. The main portion of the grant is, as already observed, from the Educational and Muzrai Departments and expenditure is incurred under the sanction of the Muzrai Commissioner, in accordance with the rules contained in the Mysore Service Regulations. The expenditure is subject to audit year after year, and all the savings made from year to year are kept in deposit in the Government Savings Bank for being utilized for necessary improvements and additions to the Library &c. A statement of receipts and expenditure for the year 1929-30 is submitted herewith.

Re: point (5), this Institution was started as a purely private Institution in 1854 by certain Pandits, and later on, during the time of the late Mr. Arcot Srinivasachar, it was taken under the auspices of Government and a grant was sanctioned for its maintenance from the Muzrai Funds. Later on, this grant was augmented by grants from the Education Department.

The Institution has been presided over by eminent Pandits of very high attainments of whom a few may be mentioned. They are:-

(1) Pandit Akarkanni Narasimhachar.
(2) " Ramasami Selvapillungar.
(3) " Ratnam Kuppamiengar.
(4) Mahavidwan Tarka Theertha Sriman Lakshmi Tatachar.

The Institution has been training students for the several Vidwat Examinations according to the curriculum of the Mysore Sanskrit College Board of Studies, in Tarka, Vedanta, Sankhya, and Sahitya. It has got on the roll of Old Boys several distinguished Pandits of the State, well-versed in the above subjects. It is even now doing very useful work, training candidates to the highest Examinations in the above subjects.

In these circumstances, I beg that this Institution, which is one of the premier institutions of the State in Sanskrit learning of the orthodox type, may be converted into a Government Institution, as already recommended in my letter No.972/29-30 dated 20-2-30, and that early orders may be passed in the matter.

The Institution is practically maintained by Government funds for over 10 years, and the financial commitments by converting it into a pucca Government institution and making the appointments pensionable, would not

exceed Rs.50/- or Rs.60/- a month, that is, about Rs.600/- or Rs.720/- a year. As it is an institution run on orthodox lines, it may be treated on a par with the Sanskrit College at Mysore, in the matter of admissions and may continue to be managed by the Muzrai Commissioner as the Veda Patasala in Bangalore.

I have the honor to be,

Sir,

Your most obedient servant,

Ycaraseuja Rao

for Muzrai Commissioner.

SIR,

With reference to your letter No.277/Muz.262-29-4 dated 4th August 1930 requesting me to submit proposals for the introduction of a Provident Fund Scheme for the benefit of the staff of the Sanskr. College at Melkote, I have the honor to state that Rule 8 of the Provident Fund Scheme sanctioned in G.O. No.2792-3/Edn.27-10-86 dated 11th September 1920 lays down the rate of subscription payable by the staff and contribution payable by the management and Government. According to this rule the employees subscribe one anna for every rupee of their pay while the management and Government contribute half an anna each. In the present case, no portion of the cost is borne by any private body, but the entire cost is met from the Muzrai and Education Departments. For the present purpose the Muzrai Department may be taken as the Manager and the grant from the Education Departmer as the regular State grant. By extending this analogy, the Muzrai De partment may contribute half anna in the rupee and the other half anna met out of the grant from the Education Department.

The pay of the staff now amounts R. 352-8-0 per mensem. The staff are willing to subscribe 6¼% thereof or Rs22/- per mensem. I request that orders of Government may kindly be obtained sanctioning a monthly contribution of R 11/- from the General Muzrai Fund and R 11/- from the State Fund through the Education Department. As the amount to be so contributed is very small there may not be any difficulty to meet this extra charge

I request early orders of Government to enable me
scheme with effect from 1st July next. Necessary provision wil
or the same in the General Muzrai Budget and instructions may kin
ssued to the same effect to the Education Department.

I have the honor to be,

Sir,

Your most obedient servant,
